

International Ice Hockey  
Tournament Boys U16  
(Club teams and  
National teams) in  
Vierumäki  
3.8.-6.8.2017

# Tournament info

Vierumäki has a long tradition of organizing national and international ice hockey tournaments.

In the coming year we would like to continue with this tradition and have decided to organize a tournament for U16 national and international teams.

The tournament will give your team the possibility to compete against other international teams as well as against Finnish C-junior teams.

We are offering teams the possibility to use meeting rooms and indoor facilities (courts) for indoor games free of charge during the tournament, to experience the versatile facilities we have to offer.
